

Nikolaos P. Nikolaidis

Revised: August 2018

Birthdate: 12/25/58

Education:

Ph.D.	1987	University of Iowa, Civil and Environmental Engineering
M.S.	1984	University of Iowa, Civil and Environmental Engineering
B.S.	1982	University of Iowa, Civil and Environmental Engineering
Diploma	1980	School of Higher Engineering Technology, Athens, Greece

Experience:

2013-2017	Deputy Rector for Finance, Planning and Development, TUC
2010-2011	Visiting Scholar, Joint Research Centre-Institute for Environment and Sustainability, Rural, Water and Ecosystem Resources Unit
2008-2010	Director, Environmental Engineering Graduate Program, TUC
2008-2010	Vice Head, Environmental Engineering, TUC
2006-	Professor, Environmental Engineering, Technical University of Crete
2002-2006	Assoc. Professor, Environmental Engineering, Techn. Univer. of Crete
2000-2002	Professor, Depart. of Civil Engineering, Univ. of Connecticut
1998-1999	Director, Environmental Engineering Program, Univ. of Connecticut
1996	Int. Director, Environmental Engin. Program, Univ. of Connecticut
1995	Visiting Scientist, Joint Research Centre, European Union, Ispra, Italy
1994-2000	Associate Professor, Depart. of Civil Engineering, Univ. of Connecticut
1990-1992	Assistant Director, Environ. Res. Institute, Univ. of Connecticut
1990-1992	Coordinator, Environmental Engineering Program, Univ. of Connecticut
1988-1994	Assistant Professor, Depart. of Civil Engineering, Univ. of Connecticut
1987-1988	Research Associate, University of Iowa
1986	Instructor, Kirkwood Community College, Cedar Rapids, Iowa
1982-1987	Research Assistant, University of Iowa

Professional Societies:

- American Society of Civil Engineers (ASCE)
- American Chemical Society (ACS)
- American Geophysical Union (AGU)
- American Water Resources Association (AWRA)
- National Ground Water Association (NGWA)
- X.E. Civil Engineering Honor Society

Areas of Interest: *"Hydrogeochemical Engineering and Remediation of Soils"*

Soil fertility and soil structure dynamics

Assessment and remediation of heavy metal contaminated sites

Resume of

Nikolaos P. Nikolaidis

Revised: August 2018

Birthdate: 12/25/58

Education:

Ph.D.	1987	University of Iowa, Civil and Environmental Engineering
M.S.	1984	University of Iowa, Civil and Environmental Engineering
