

Resume

Gerasimos Rodotheatos holds a PhD on the Law of the Sea and an MA on Environmental Governance, while his background is in the field of International and European Studies. His PhD has been awarded the prestigious “G. Tenekides Award” for the Best International Law and Politics Thesis in Greece (2015-2016) by the Hellenic Society of International Law and International Relations. Currently, he serves as a Researcher with the European Centre for Environmental Research and Training.

In the past he has served as a Subject Matter Expert with the NATO Maritime Interdiction Training Centre for maritime security issues and Teaching Scholar on International Organizations with the Law School of the University of Athens. His topics of interest entail Law of the Sea, Air & Outer Space Law, International Organizations and International Environmental Law and Policy.

His publications are available
